Hand-Sheared Specimen Rotundifolias

To the Trade

Our growing seasons this year have been much better than those of the recent past and we find ourselves with a considerable quantity of plant material to offer you this Fall in exceptionally good quality. Quantities in some varieties are quite limited but in most instances we do have quantities that will entitle us to take care of your needs.

We have our own trucks to handle your orders regardless of size, which we operate at a very reasonable charge. Your orders are delivered directly to your place by drivers who have many years of experience.

Appreciating your many nice orders of the past and hoping to receive many of your inquiries this coming season, we are

Sincerely,

SOUTHERN STATES NURSERIES, INC.

Terms and Conditions

TERMS: We offer usual terms to those of known responsibility. Where the purchaser's credit responsibility is unknown to us, cash is required before shipping, or references must be furnished with proper time for investigation. On all C. O. D. shipments one-fourth cash must accompany your order.

PRICES: All prices listed are F. O. B. our nursery. Packing at cost. We will accept order 5 at the 10 rate, 50 at 100 rate, 500 at the 1000 rate. Prices listed herein are subject to change without notice, and are made for immediate acceptance. On reserve orders we require a twenty-five per cent deposit. A 5% discount allowed for cash.

SHIPPING: Customers are requested to give definite instructions. We ship by Rail Freight, Motor Freight, Express, Boat lines, and our Trucks.

CLAIMS: All claims must be made immediately upon receipt of stock. While we use every means of prompt service, we will not be responsible for delays in transit. Our responsibility ceases upon delivery in good condition to the transportation company.

SUBSTITUTIONS: We never make substitutions on orders unless instructed by the purchaser.

GUARANTEE: We guarantee our stock to be well grown, true to name, properly packed and shipped according to instructions. In no case shall our liability be more than the original invoice.

CAUTION: We accept all orders subject to crop conditions and on condition that same be void if such occurs beyond our control. If you do not find the stock you desire listed, write us and we will get it for you. Many times our quantities will not permit us to list items.

Wire Balling

We strongly recommend the use of wire-balls on all larger size shade trees and ornamentals. This has proven to be a safeguard in the transplanting of large trees and shrubs without losing them. By wiring, we can enlarge the regular size ball that is firm.

Double Palm Tree

Prices on wire-balling:

24-inch ball \$ 6.00

30-inch ball 7.50

36-inch ball 8.50

48-inch ball 10.00
